VASAVI EDUCATIONAL TRUST

Vasavi Education society was established during the year 1989 – 1990. This institution is registered under Karnataka Societies' Act. The main goal then was to start Industrial Training Institute (ITI). But due to non - co-operation of Government to issue permission to establish ITI the promoters – specially Sri. Dooli Sathyanarayan and his team changed their view and planned for Basic education. The goal was achieved by the co-operation by Vasavi Yuvajana Sangha by establishing KG classes up to 7th standard. For the last 25 years management of the school vested with Sri. Ramanujan and his team. The team furthered the development of school by establishing Vasavi Central School with a vision to provide best quality, value and culture based education to the needy and gullible co-population of the K.R.Nagar Taluk and town.

Goddess: Vasavi Kanyakaparameshwari is the symbol of sacrifice. The character of sacrifice is implemented by the present Board of Directors in providing and establishing Vasavi Central School at Chowkahally, K.R.Nagar.

VISION

We aim to prepare our students to alter themselves for rapidly changing world by elevating their personality with critical thinking skills, universal perspective, creativity, respect towards nation, culture, integrity, strong physical and mental ability, compassion, service-mindedness, scientific potentiality and above all to be real human so that they will have success for today and be prepared for tomorrow .

MISSION

Our mission is to create our students to be fit into a society and to make them to leave markable footprints behind them while heading towards the striking future. It is to mould the students to identify the good and bad and to live with a sense of Oneness.
